Assabet Valley Camera Club Program

Due to Covid 19 all AVCC meetings are currently being held online. If you are interested in attending this program, contact AVCC at info@assabetvalleycc.com a few days prior to the meeting to request a link to the event. The club's Zoom room opens at 7:00 PM with a brief business meeting at 7:15. Steve's presentation ***Landscape Photography*** will begin at 7:30.

Normally, AVCC meetings are held in the Great Room at the Hudson Senior Center, 29 Church Street, Hudson. The first meeting of the month generally features a program designed to instruct and/or to entertain camera enthusiasts. During the second monthly meeting, a competition of members' digital images are judged and critiqued by qualified individuals. Assabet Valley Camera Club, affiliated with both the New England Camera Club Council (NECCC) and the Photographic Society of America (PSA), participates in interclub competitions on regional, national and international levels.

AVCC welcomes anyone interested in learning more about photography as a visual art and its practical application as a science. Members benefit from the hands-on experiences, from the knowledge presented in programs, and from having their work critiqued. For more information check out the AVCC website at assabetvalleycc.com or contact Elliot Mednick, club president, at 978-293-5192.

Dues!

You really need to get the dues into John before Oct 6. Anyone who has not paid by then loses their membership on Oct 7 and will not be eligible to compete in the October competition until you do pay. If you get the dues in late, you will restore the membership, but you risk us not being able to reinstate you in time for the competition because the paperwork is hard. (In the future, we'll look into trying to make this easier by using PayPal or Venmo.)

Programs

The big news is that the Program Committee has just about finalized the program schedule for the year. They did a fantastic job and almost overbooked. They just need to close the loop on the May program presenter. The program committee consists of John Mauro, Robyn Saur, Pam Meoli, Jane Parker, and John Gill. This year's program is interesting, fun, and exciting:

Zoom Meetings

We are looking forward to a new AVCC club year. Based on Senior Center availability, the AVCC will be starting the club year on ZOOM. If you haven't logged onto Zoom for any of our past meetings, because you do not know how or are having issues with it, please let me know before the next meeting so we can resolve any problems that you have.

Note: If you are reluctant to use Zoom because you are bashful to be seen on video, you can join the Zoom meeting without turning on your video.

You should be able to log easily on Zoom using a laptop that typically has a mic and speakers. You can do the same with a smartphone or iPad.

If you have a desktop that has speakers and mic you are all set.

If you only have a desktop without a mic or speakers you can:

1. Use the desktop to access the video, and use your phone to call one of the dial in #'s listed in the link info for the audio portion. You will see and hear the meeting, but others will not see you.
2. Add speakers, or use a headphone, and a webcam.

Note: It seems like most of the webcams are out of stock because of demand and supply, However I did purchase one at B&H video that seems to work fine. Below is the link to the one I purchased.

Again, if anyone needs assistance, please let me know, preferably well before our first meeting. Thanks and hope to see everyone back this year.
